Citizen centered

People empowered

DIRECTOR OF STRATEGIC INITIATIVES

Apply at, www.cityofgainesville.jobs
AA/DFWP/EOE/VP

The City of Gainesville is seeking an innovative and forward thinking Director who is passionate about guiding Gainesville through shifting trends in local service delivery, with an emphasis on human-centered design, process improvement and creative partnerships to ensure the vitality and future orientation of the City of Gainesville.

If you are a **visionary** with strong critical and creative thinking skills with an interest in overseeing work related to the development and implementation of strategy for the organization; improving operations of assigned departments; and managing special projects, programs and outreach activities of interest to the City Manager and City Commission, this career opportunity may be for you!

The Director will possess strong collaboration skills with the ability to develop and implement work plans in alignment with the City Commission's goals and the City's vision for citizen centered service. A Master's degree from an accredited college or university in public administration, business administration, economics, finance, urban planning or a related field and seven (7) years of progressively responsible management and supervisory experience in government administration is required.

Consideration will be given to equivalent combination of education and experience which provide the required knowledge, skills and abilities. ***The salary range for the Director of Strategic Initiatives is \$101,926.00 - \$162,723.00 with the starting salary being determined based on the selected individual's qualifications and desired attributes sought by the city.***

Our award-winning City provides many unique opportunities for its employees. Being an employee in this role allows you to make a visible impact on the lives of our citizens and enhance the Gainesville way of life every day. It's not just a great place to work, but also an amazing place to live.
