

THE EVOLUTION OF ORGANIZATION DESIGN:

Connected, Adaptive & Human-Centered

APRIL 29 - MAY 1, 2025 • DENVER, CO

As the world of technology rapidly evolves, the heart of our success lies in our relationships. These connections drive the collaboration, bold decision-making, and innovative breakthroughs that push organizations to new heights. At the 2025 conference, we will explore how to design adaptable systems where individual talent and collective intelligence thrive, and teams unite to create meaningful impact.

PRE-CONFERENCE WORKSHOPS

MONDAY, APRIL 28

We devote the day before the conference to workshops that build knowledge, skills, and competence for practitioners at different stages in their career.

INTRODUCTION TO THE PRACTICE OF ORGANIZATION DESIGN

Jodie Goulden & Brandon Curry
9:30 AM - 4:30 PM

This fast-paced session is intended for those who are beginning the practice of organization design or want to better understand what organization design is, its underlying theory and methodology. If you are wondering how to connect what you already know to the deep and powerful change that organization design creates, this workshop is for you.

Fee: \$349 Student Fee: \$149

DESIGNING YOUR OWN ORG DESIGN BUSINESS

Kate Dixon & Julian Chender
12:30 - 4:30 PM

A Master Class for Independent & Boutique Consultants who want to win better clients at higher fees

In today's rapidly evolving market, where major firms are consolidating through acquisition, there's never been a better time for us smaller consultancies to capture high-value opportunities—if you know how to position yourself effectively.

Fee: \$349
